Shoshonie Heitmann recently appointed as our new City Clerk. She is a native Idahoan that just came back to the state after many travels and adventures with her husband who was active duty military. Shoshonie has a Master's Degree in Business Administration with Emphasis in Human Resources. She has just returned from Germany, working with the Federal Government in Heidelberg. Shoshonie is married with seven children with only two boys left at home. She has one beautiful granddaughter with whom she dotes on greatly.

Shoshonie takes life by the horn and always has a smile for those around her. She has the idea that at one time all her friends were strangers so you never know when that next stranger you smile or talk to is going to become your friend.

Shoshonie looks forward to working not only with the personnel of the City of Kimberly but with the community as a whole.
